RIVERVIEW MISSIONARY BAPTIST CHURCH SHORT-TERM MISSION TRIP MINISTRY

The Kingdom of Swaziland and South Africa

Christmas Party for orphaned and vulnerable children

Service Projects

The Riverview Missionary Baptist Church Short-term Mission Trip Ministry began in December 2010 with its first trip to Southern Africa. Since then, the Ministry has made four short-term mission trips to Southern Africa ministering in the Kingdom of Swaziland and South Africa.

Each year the mission trip is focused on ministering alongside nationals according to the ministry gifts of the team members. We have been blessed to have witnessed contractors, teachers, healthcare professionals, preachers and church school teachers from the U.S. exercise their gifts in ministry in Africa as never before.

We have been blessed to have planted gardens, painted buildings, prayed, preached and have even built a pit latrine all to the glory of God!
